## Riverview Drive – Harley Drive to Olentangy River Road

Work has begun by the city of Columbus for improving Riverview Drive between Olentangy River Road and Harley Drive. The finished project will upgrade road conditions, add pedestrian facilities and improve safety and drainage. Total cost: Approximately \$3.5 million. Improvements include:

- Constructing new storm sewer, sidewalks, curbs and *Americans with Disabilities Act*-compliant curb ramps
- Reconstructing existing roadway
- Rebuilding driveway approaches as necessary
- Adding street lights

**Construction began in mid-August 2012 and will finish in September 2013.**

### Phase 1: Storm sewer construction

- Sections of Riverview will be closed to through traffic between 9:00 a.m. and 3:00 p.m. Monday – Friday during construction. Local traffic will be maintained.

### Phase 2: Roadway reconstruction

- Riverview will be one-way eastbound during construction. Access to Riverview will be via Stinchcomb Drive. Detour will be in place 24 hours per day, seven days a week, until project completion.
